>> Walk-To Amenities

The Exchange building has the advantage of being within walking distance of tons of great restaurant and shopping amenities at The Mayfair Collection including: Whole Foods Market, over 10 popular local restaurants, and a Hilton Homewood Suites hotel. In effect, companies will enjoy the amenities of a downtown location without the expense or inconvenience of locating downtown!

>> New Point of Ingress / Egress

Employees and executives of The Exchange will benefit from a new proposed entrance / exit to The Mayfair Collection which is being created by extending 112th Street at the north end of the property under Hwy 45 / Interstate 41 and connecting it to 124th Street via Wirth Street.

That way, tenants will have access to the project via a third stoplight entrance which effectively creates a "backdoor" entrance to The Exchange.
